1	Det Norske Veritas	DNVC	13,278	26	293	239	-1.77	

\*Where a country is shown after a Recognized Organization this indicates its location and not necessarily any connection with the maritime administration of that country.

In this table only Recognized Organizations that had more than 60 inspections are taken into account. The formula used is identical to the one used for the Black Grey and White list. However, the values for P and Q are adjusted to P=0.02 and Q=0.01
